2 MS. PUBLICKER METTHAM:

3 Objection.

4 A. Not on that day in that
5 interview, but based on -- we don't make our
6 impressions just based on limited things
7 like that.

8 Q. Have you ever had any
9 discussions with anybody at Jamaica Hospital
10 about Schoolcraft?

11 A. I spoke to a social worker
12 there.

13 Q. Is that Christine Mc Mann?

14 A. Yes.

15 Q. What did you discuss with her?

16 A. That's all in the records. I
17 can reference my notes if you would like.

18 Q. Do you have a recollection of
19 what you discussed with her?

20 A. I have a recollection that I
21 think she wanted to consult with me about
22 him and my history with him. I told her I
23 would be happy to do so as long as he signed
24 a release of information consent form
25 authorizing that. I think maybe a few days

2 twice. There was some back and forth
3 answering machine messages, voicemail
4 messages and then I spoke with her two
5 times.

6 Q. And what were the dates of those
7 conversations?

8 A. November 6, 2009 and November 9,
9 2009. Yeah, the other days were just
10 messages back and forth.

11 MS. PUBLICKER METTHAM: For the
12 record, could you just state the dates
13 that you had those messages back and
14 forth?

15 THE WITNESS: Let's see, she
16 left me a message on November 4, 2009
17 and requested I call her back. I did
18 callback, but she was already gone for
19 the day and then November 5, one day
20 later I left a message for her
21 requesting a callback and release of
22 information consent form. Then we
23 finally spoke a day after that
24 November 6, 2009.

25 Q. Where is the reference to a
